

Heartland Farms, Inc. a long established and progressive Central Wisconsin agri-business company is searching for a full-time

## **Operations Support Specialist**

A successful candidate will have an agricultural and mechanical background. This role reports to the Shipping Production Supervisor, and will be responsible to assist in the safe and efficient rinsing of raw potatoes. Specific responsibilities include the inspection and maintenance of production equipment, operation of heavy machinery, and other tasks as assigned.

With Heartland Farms, Inc., you will work in a high performing agricultural organization where team members collaborate to get the job done and challenge the status quo to find a better way. We are eager to see how you will make an impact in our organization.

### **Education/Experience**

2-year technical college degree preferred; or 2-5 years related direct experience and/or training; or equivalent combination of education and experience.

### **Benefits:**

Competitive pay and excellent benefit package (health, dental, 401(k), paid sick, paid vacation) await this highly motivated individual.
